

You have the right to receive a “Good Faith Estimate” explaining how much your health care will cost

Under the law, health care providers need to give **clients who don't have insurance or who are not using insurance** an estimate of the bill for services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency services.
- The Center administrative staff will provide a Good Faith Estimate in writing at least one business day before your appointment. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an appointment.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.
